**What is your favourite meal to cook? Why?**

This is made with green chilli, garlic ginger and the chicken tikka masala, its takes quite a bit of effort to make the sauces of the masala, so its enjoyable to make. It's one our bests sellers, along with Chicken Korma which is also very popular as its quite mild and nice.*

*Garlic Chilli Chicken, however there are so many different dishes we can recommended, at all different heats, mild, medium or even really hot, or sweet and sour.*
